## EXPERIENCE

### NO-CODE INTERN

MoooFarm | Gurgaon | November 2022 - May 2023

Key Accomplishment

- Built web applications using no-code tools like AppSheet by google and bubble.io for in-house use and for managing various operations on the ground(farm).
- Worked as a customer service associate and looked after maintaining the data for ground operations.
- Worked along with Product Managers for understanding the requirements of clients and customers and provide solutions accordingly.
- HTML, CSS, javascript, React.js for web development
- Learned to analyze industry trends.
- Used various tools like Confluence, Jira, Mixpanel etc.

### IT CONSULTANT INTERN

Amaron Software | Delhi | May 2020 - July 2020

Worked as an Associate IT Consultant intern. Was in touch with a US-based company known as DYNFLUX. Gathered the requirements and provided the solution accordingly.
